YOU PLAN THE EVENT. WE POWER IT.

TURNKEY POWER. ZERO GUESSWORK.

From weddings and festivals to corporate events and temporary commercial power, NCN provides the generator, licensed electrical connection, startup, support and removal - so you can focus on your event.

COMPLETE TURNKEY EVENT PACKAGE

FROM $350

Includes 10 kW base rental ($100) + standard delivery and setup within 40 driving miles ($250).

Fuel and taxes additional.

COMPLETE SERVICE FROM DELIVERY THROUGH PICKUP

WHAT NCN HANDLES

- Generator delivery and pickup
- Licensed electrical connection
- Startup, testing and operating guidance
- Temporary distribution when required
- Fueling and monitoring available as options

IDEAL FOR

- Weddings and private events
- Festivals and community gatherings
- Corporate and commercial events
- Food trucks, catering, lighting and A/V
- Temporary and emergency power

PROFESSIONAL POWER WITHOUT THE STRESS

Tell us what you need to power. NCN will help size the generator and provide a turnkey quote for your event or project.
